**Surprise your customers with original blends of juices**

- The machine uses a squeezing system that is unique in the world, cutting the fruit in half and squeezing it without the juice coming into contact with the peel, this means the juice does not pick up any of the oil or bitterness in the peel, so what you get is top quality, 100% pure, natural tasting juice.
- Automated juicer for citrus: Oranges, lemons, limes, mandarins, grapefruit and pomegranates.
- Digital Programmer.
- Counter for monitoring the number of fruits squeezed.
- All our machines are constructed with a stainless steel body.
- Facility to alternate different fruits.
- Stainless steel filter.
- Drip tray and grille.
- Waste peel collection bin. 2.4gal. Stainless steel bins.
- Quick and easy to clean. It only takes 6/7 minutes to disassemble, clean, dry and reassemble the removable parts.
